BRANZ

The following are the stated condition of a BRANZ Appraisal: In the opinion of BRANZ, **The Product** is fit for purpose and will comply with the Building Code to the extent specified in the Appraisal provided it is used, designed, installed and maintained as set out in the Appraisal.

The Appraisal is subject to the Conditions of Appraisal.

Conditions of Appraisal

- The Appraisal:
 - relates only to the product as described herein;
 - must be read, considered and used in full together with the technical literature;
 - does not address any Legislation, Regulations, Codes or Standards, not specifically named herein;
 - is copyright of BRANZ.
- The Client:
 - continues to have the product reviewed by BRANZ;
 - shall notify BRANZ of any changes in product specification or quality assurance measures prior to the product being marketed;
 - abides by the BRANZ Appraisals Services Terms and Conditions.
- Warrants that the product and the manufacturing process for the product are maintained at or above the standards, levels and quality assessed and found satisfactory by BRANZ pursuant to BRANZ's Appraisal of the product.
- BRANZ makes no representation or warranty as to:
 - the nature of individual examples of, batches of, or individual installations of the product, including methods and workmanship;
 - the presence or absence of any patent or similar rights subsisting in the product or any other product;
 - any guarantee or warranty offered by The Client.
- Any reference in the Appraisal to any other publication shall be read as a reference to the version of the publication specified in the Appraisal.
- BRANZ provides no certification, guarantee, indemnity or warranty, to The Client or any third party.
